Junior Software Engineer | IT Enthusiast  
Indonesia

## Summary

I am Kenzie Ahnaf Firdaus, a passionate Junior Web Developer currently pursuing my education at IDN Boarding School. With a keen interest in web technologies, I am dedicated to building creative and functional web solutions.

I enjoy working with HTML, CSS, JavaScript, and exploring new frameworks and tools that enhance the web development experience.

Always eager to learn and grow, I am continually improving my skills and staying updated on the latest trends in web development. My goal is to contribute to innovative projects that create impactful digital experiences.

---

## Experience

### IDN JHS Student Council

2 years 3 months

#### Chairman of Multimedia Division

February 2024 - April 2025 (1 year 3 months)

Led the Multimedia & Photography Division in managing school documentation, content creation, and social media visuals. Coordinated photo and video coverage for events and collaborated with other divisions to enhance school branding.

#### Member of Cleanliness Division

February 2023 - February 2024 (1 year 1 month)

Worked as part of the Cleanliness Division to organize cleanliness programs, manage daily hygiene routines, and raise student awareness about a clean school environment.

### IDN Boarding School

#### Graphic Designer

January 2024 - February 2025 (1 year 2 months)

Kecamatan Jonggol, Jawa Barat, Indonesia

IDN Minimagz is a project by IDN to tell stories of activities that are held in IDN, can be monthly or annually.

### Life Skill Intellegent Institute

Web Developer

January 2025 - January 2025 (1 month)

Bekasi Timur, Jawa Barat, Indonesia

I developed the official website for LifeSkill Intelligence, a company focused on empowering youth through emotional intelligence and essential soft skills training. The website serves as a central platform for showcasing our programs, publishing educational articles, and providing access to coaching and training services.

### Masjid Raudhatul Jannah Bekasi Timur

Web Developer

2022 - 2022 (less than a year)

Bekasi Timur, Jawa Barat, Indonesia

I designed and launched the official website for Masjid Raudhatul Jannah, aimed at providing easy access to mosque-related information for the surrounding community. The website includes prayer schedules, event announcements, gallery, donation information, and more.

---

## Education

### IDN Boarding School

Siswa, Ilmu Komputer · (July 2022 - June 2028)
